TO MY CUSTOMERS AND FRIENDS

Circumstances over which I have no control, have made it necessary for me to place my market on an absolutely cash basis.

Beginning Monday Feb. 9th, I will sell for spot cash only. Every person will be treated the same, and all will get the advantage of lower prices. My motto: cost me cash, and I must sell for cash. Let me serve you. Phone 52. (31-1f)

COMING AMUSEMENT
LYRIC THEATRE
FRIDAY, FEB. 6TH
THE HAWKEYE GLEE CLUB
VOCAL AND INSTRUMENTAL
PRICES: 25C, 50C AND 75C.

THE HAWKEYE GLEE CLUB
Sings and plays to please. It is a habit they have. The music they have is good but of the popular sort. You will listen and applaud and laugh and go home well pleased with the songs and humor and feel more at peace with all mankind. There is no wasted time or dull moments, but a "jolly good time" as when good "friends get together."

MALE QUARTETTES WIN!

Who does not enjoy the music of a good male quartette? No other form of concert and entertainment program is more popular in this country. The "Hawkeyes" are prepared to contribute their share to meet the demand for music and humor in a high class vocal and instrumental program.

THE HAWKEYE GLEE CLUB

MR. H. E. SCHULZE, possesses a phenomenally high tenor voice, singing high D with ease. His solo work is very effective. In the mandolin club, he plays solo mandolin. MR. C. A. SCHULZE, second tenor and guitar-soloist, has a well-trained tenor voice of great flexibility. His sympathetic quality makes his voice ideal for sentimental songs. His guitar solos are very fine.

MR. R. K. PEIRCE, baritone and manager, is an accomplished musician, having written some of the clubs best numbers. He plays the mandola in the mandolin club and acts as accompanist.

Mr. R. K. PENNEY, the reader, is unusually effective in character impersonations. As basso, his rich deep voice and droll humor have made him a unusual favorite. He plays second mandolin.

EMERSON VEHICLES

Are the recognized leaders. Their ideal buggy tops, operated from the seat, are one of the greatest conveniences ever attempted in top construction. Once used it will always be an Emerson.
